Steel & All Season Security Doors

Your Unique Home Designs/Titan security door is warranted to the original purchaser against manufacturing defects of the welded frame, pickets, and lock box under normal, residential use for as long as you own the home upon which the door is properly installed. If structural defects occur in these areas we will, at our discretion, repair or replace the door. Replacement items may vary in style due to changes in suppliers, products and colors. The paint finish is warranted not to blister, crack, or fade for one year from the purchase date. Damage due to rust is excluded from this warranty. Door closers, screens, glass and hardware are also excluded from this warranty. This warranty is not transferrable and does not cover damage caused by vandals, break-ins, or attempted break-ins. On steel security screen doors equipped with the Meshtec Advanced Screen System, the screen material is warranted against manufacturer defects under normal, residential use for the first 5 years you own the product and terminates

if you sell or otherwise transfer the product or the property on which it was installed. This warranty is voided if the product is modified in any way. Any problem caused by abuse, misuse, failure to maintain warranted item properly, adjustments due to settling of the structure that the product is mounted on, or acts of God, are not covered. Unique Home Designs/Titan assumes no responsibility for labor costs of any kind for removal, replacement of parts, repairs, or reinstallation.
