Let us Custom Design a door for Your Home

Not all Iron Doors are made the same:

- Iron Doors are manufactured using 12-gauge iron - among the thickest in the iron door industry.
- 5/8" hand-forged solid iron scroll work
- Pre-hung and balanced on 2" iron jamb
- Available in 9 color finishes
- Heavy duty 1,000 lb. capacity hinges for support and design.
- Standard glass is dual-paned, insulated & tempered. Glass options include clear, bronze, aquatex, rain, water cubic, antique wave, sandblasted, cord, oil sanded, silver wave, grey and reflective (Low-e is available for a small additional cost on most glass options)
- Doors are fully insulated with poured polyurethane foam
- Independently-opening glass panels secured with compression locks for easy cleaning or fixed panel glass is optional
- Most Doors can be manufactured to accept optional removable screens

LET ENTRYPOINT BE YOUR SOURCE FOR BEAUTIFUL FRONT DOORS, CUSTOM IRON DOORS, EXTERIOR DOORS AND WINDOWS.

ADDITIONAL OFFERINGS FROM ENTRY POINT DOORS AND WINDOWS

FAMILY OWNED AND OPERATED

EntryPoint Doors and Windows of Atlanta was founded by Paul and Betty Butler in 2003 in Buford, Georgia. In the beginning, Entry Point started out in the basement of Paul and Betty's home and specialized in front door transformations.

Over time the company expanded to include custom iron doors, custom glass options, complete window replacement and exterior door replacements.

EntryPoint enjoys the advantages of direct supplier relationships, which provides us the opportunity to offer our customers a wide variety of superior custom products with quick turn around and competitive pricing.

As EntryPoint began to grow, Paul's son Brett, and daughter-in-law Christy joined the company. Now the company has grown to over 45 employees, but we have never lost focus of doing what is right for the customer.

ADDITIONAL SERVICES WE OFFER

- Complete Door Replacements in Iron, Fiberglass, Steel and Wood
- Converting Door and Sidelights to Double Doors
- Custom Decorative glass for Transoms and Windows
- Complete Window Replacements
 - Aluminum Clad, Wood, Vinyl or Composite options
- Door Hardware Replacement
- Palladium Window Replacements
